E file/Comp. No. 16303/2022
Dehradun : Date 10^{Oct} September, 2022

Office Memo

Since the State of Uttarakhand has been taking challenges ranging from disaster, barriers to access and availability of services, which have further been aggravated by the pandemic in providing health care to its citizens. In light of the above and to facilitate the delivery of comprehensive universal healthcare services in State, the State Govt. is in the process of developing and implementing a new paradigm of a comprehensive tele-health intervention which not only bridges the gap between healthcare provision and the beneficiaries but also will act as platform for seamless, uninterrupted healthcare delivery system through digital/IT enabled platform covering the entire gamut of healthcare services. To deliberate further so as to develop a feasible roadmap and provide oversight to efforts in this direction a Tele Health Task Force comprising of various distinguished subject expert is being constituted in state as following :-
